Please keep this document in a safe place along with the sales receipt you received when you purchased your product. The sales receipt may be required at the time of service. It will serve as a valuable reference guide and will help you determine what is covered by the Plan. As the Administrator/Obligor, We will assist you in understanding your warranty and Plan benefits from the day you purchased your Plan.

PRODUCT ELIGIBILITY

The protection offered under this Plan is among the most dependable and comprehensive available, offering coverage above and beyond that offered by the manufacturer. This Plan covers products purchased as new or factory-refurbished and manufactured for use in the United States, which at the time of purchase included a manufacturer's original or factory-refurbished warranty valid in the United States. In order to be eligible for a Plan, the manufacturer's original or factory-refurbished warranty must provide at least 90 days parts and labor coverage. This Plan covers mechanical and electrical failures that would normally be covered by the original manufacturer's written warranty, unless otherwise stated in the Exclusions from Coverage section of this document. Coverage only applies to products used non-commercially unless a Commercial Plan has been purchased. Accessories and/or add-on options purchased separately and not essential to the basic function of the covered product are not eligible for coverage. Products sold through an Unauthorized Dealer or an Unauthorized Internet Provider do not carry an original manufacturer's parts and labor warranty and are therefore ineligible for coverage under the Plan and will be cancelled. There is no deductible under this Plan.

COVERAGES

Product Exchange Plan: The Product Exchange Plan term is an extension of the manufacturer's written warranty and continues for the period defined on your sales receipt or until a replacement claim is paid, whichever occurs first. Actual replacement coverage under this Plan begins upon expiration of the shortest portion of the manufacturer's original or factory-refurbished parts and/or labor warranty. In the event your covered product suffers a mechanical or electrical failure, after expiration of the manufacturer warranty, this Plan will replace your original product with a product of equal or similar features and functionality, though not necessarily the same brand. A replacement product may be new or refurbished. The Product Exchange Plan is limited to one replacement for products purchased for less than \$500 and does not cover trip, labor or shipping. The Product Exchange Plan is transferable and does not include any Special Features or Benefits or Optional Coverages.

The Replacement Plan will replace modular components on products where applicable instead of the entire unit when such products consist of self-contained modules, units and/or components, including but not limited to video game controllers, MP3 player earphones, television remotes, etc.

Technological advances may result in a replacement product with a lower selling price than the original product. No refunds will be made based on the replacement product cost difference. The most we will pay on any replacement of your covered product is the price you paid for the original product, excluding taxes. If we replace the covered product in its entirety, our maximum liability has been met under this contract and there will no longer be coverage under the terms of this contract. Replacement products will include a manufacturer's warranty and the retailer has the option to offer an additional extended service contract on the replacement product. If a replacement product is not available, we will refund up to the product purchase price, excluding taxes, and this contract will be fulfilled and all obligations satisfied. Replacement products may be new or rebuilt products. In no event shall the obligation to administer claims extend beyond the term of coverage commencing upon the date of product purchase. You may be required to ship or deliver the defective product prior to receiving a replacement product. The Administrator/Obligor and Insurance Company own all complete units replaced in their entirety. If it is determined the problem is not covered under the terms of the Plan or there is a "no problem found" diagnosis, you will be responsible for any related charges to the service center.

2-Year, 3-Year or 5-Year Date of Purchase Service Repair Plans: The Plan term begins on the date of product purchase or date of installation by the selling retailer (proof of installation date will be required if different from product purchase date) and continues for the period of time defined on your sales receipt. This Plan is inclusive of the manufacturer's warranty; it does not replace the manufacturer's warranty but may provide certain benefits during the term of the manufacturer's warranty. Actual service coverage under this Plan begins upon expiration of the shortest portion of the manufacturer's original or factory-refurbished parts and/or labor warranty. During the manufacturer's warranty period, any parts, labor, on-site service or shipping costs covered by that warranty are the sole responsibility of the manufacturer. After each portion or all of the manufacturer's warranty expires, this Plan will furnish replacement parts and/or labor necessary to restore your covered product to standard manufacturer's operating condition. If service is required because of a product failure during normal usage, the Administrator/Obligor has the option to repair the defective product or replace it with a product of equal or similar features and functionality, though not necessarily the same brand. A replacement part or product may be new or refurbished.

Technological advances may result in a replacement product with a lower selling price than the original product. No refunds will be made based on the replacement product cost difference. The most we will pay on any single repair to your covered product or its replacement is the price you paid for the original product, excluding taxes. If we replace the covered product in its entirety, our maximum liability has been met under this contract and there will no longer be coverage under the terms of this contract. Replacement products will include a manufacturer's warranty and the retailer has the option to offer an additional extended service contract on the replacement product. If the covered product is not repairable and a replacement product is not available, we will refund up to the product purchase price, excluding taxes, and this contract will be fulfilled and all obligations satisfied. Should repair parts become unavailable because a manufacturer has gone out of business or if a manufacturer no longer provides product support and all parts sources have been exhausted during the coverage period of this Plan, the Administrator/Obligor shall be excused from performance hereunder and you shall receive a full refund of the purchase price paid by you for the Plan less claims paid, if any. Replacement products may be new or rebuilt products. In no event shall the Administrator/Obligor be liable for any damages as a result of the unavailability of repair parts. In no event shall the obligation to administer claims extend beyond the term of coverage commencing upon the date of product purchase. You may be required to ship or deliver the defective product prior to receiving reimbursement or a replacement product. The Administrator/Obligor and Insurance Company own all parts removed from repaired products or complete units replaced in their entirety. If it is determined the problem is not covered under the terms of the Plan or there is a "no problem found" diagnosis, you will be responsible for any related charges to the service center. Failure to pay any such related charges will result in termination of any further coverage under the Plan.

Limit of Liability: For any single claim, the limit of liability under this Plan is the lesser of (1) cost of authorized repairs, (2) cost of product replacement with a product with comparable performance, (3) cost of reimbursement for repairs or replacement authorized in advance by New Leaf Service Contracts, LLC or (4) the price that you originally paid for the product. **UNDER NO CIRCUMSTANCES SHALL OUR LIABILITY UNDER THIS PLAN EXCEED THE PURCHASE PRICE PAID FOR THE PRODUCT COVERED.** In the event that the total of any and all authorized repairs and other coverage (e.g. food spoilage, surge protection reimbursement, rental reimbursement, etc.) exceeds the purchase price paid for the product, or we replace the product, we shall have satisfied all of our obligations under this Plan.

OPTIONAL PLANS

Screen Protection Plan – if purchased, this Plan will furnish labor and replacement parts necessary to replace your covered screen should it become cracked or broken for reasons other than mechanical or electrical defects, failures, willful customer abuse or manufacturer defects. This Plan is limited to two screen replacements during the term of this Plan; and must be purchased in conjunction with the Plan. This Plan provides carry-in service unless the corresponding Plan provides on-site service.

Major Component for Appliances - If you purchased a Service Agreement for a Major Appliance and Your receipt indicates You purchased an additional Major Component for Appliance Service Agreement, then You will receive an additional five (5) years of coverage for the Major Component Part (AC, Dehumidifier, Refrigerator or Freezer Sealed Refrigeration System, Cooktop, Range or Wall Oven Electric or Gas Heating Elements, Range Hood Ventilation Motor, D/W Motor/Pump Assembly, Dryer Motor, Warming Drawer Electronic Board, Washer/Dryer Combo Motor, Microwave Magnetron Tube, Washer Motor or Transmission) from the end of Your Major Appliance Service Agreement. Major Component coverage, when purchased alone, will cover the Major Component Part for only five (5) years from the date of purchase of Your Product. Major Component coverage is only for the Major Component Part in the event of a mechanical or electrical failure and does not include coverage for any other part that should fail.

Commercial Plan – for products used in a Commercial setting/environment (i.e. for use other than in a residential single-family setting), a Commercial Plan is required. If purchased, this Plan will furnish replacement parts and/or labor necessary to maintain your covered product that is used in a Commercial setting in those cases where the manufacturer's original warranty is null and void. For these products, this Plan will begin from Day One and continue for the period of time defined on your sales receipt. Selected products are manufactured specifically for commercial use and include a manufacturer's warranty. For those products, actual service coverage under the Plan begins upon expiration of the shortest portion of the manufacturer's original or factory-refurbished parts and labor warranty. During the manufacturer's warranty period, any parts, labor, on-site service or shipping costs covered by that warranty are the sole responsibility of the manufacturer. (For additional coverage information, refer to the Repair Plan listed above.) *Note: Special Features, Benefits or Optional Plans (i.e. Food Loss, Screens, etc.) are not available for products covered under the Commercial Plan.*

Accidental Damage From Handling (ADH) Coverage - If purchased, ADH coverage augments Your Service Agreement by providing protection against sudden and unforeseen accidental damage from handling to Your Product, provided such damage was in the course of regular and normal use of the Product by You, subject to the exclusions below. In the event of a covered claim, We will furnish or pay for labor and/or parts required to repair Your Product less a \$25.00 deductible. Non-original manufacturer's parts of like kind and quality may be used if the original manufacturer's parts are unavailable. In lieu of repairing the Product, We reserve the right, at Our sole discretion, to reimburse You or to replace Your Product with a product of equal or similar features and functionalities.

ADH Coverage does not provide protection against normal wear and tear, theft, mysterious disappearance, misplacement, viruses, reckless, abusive, willful or intentional damage associated with handling and use of the Product, cosmetic damage and/or other damage that does not affect unit functionality, or damage caused during shipment between You and Our service providers. If protective items such as covers, carrying cases or pouches, etc., were provided, made available or recommended for use with Your Product, it is expected that You will continually use these product accessories for protection against damage to Your Product. "Abuse" is defined as Your intentional non-utilization of protective items during the use of Your Product or Your treatment of the Product(s) in a harmful, injurious or offensive manner that may result in its damage. Any resultant damage from this type of treatment is NOT covered by ADH Coverage.

SPECIAL FEATURES

Food Loss - To receive coverage for food loss, the failure of your refrigerator or freezer must be due to a defect in the components of the appliance, excluding icemaker repairs. You will be reimbursed up to \$200.00 per qualified service repair. To receive payment, you must have the appliance repaired by a service center authorized by the Administrator/Obligor and submit the following: a copy of the repair order, an itemized list of food lost due to the lack of refrigeration, and proof of purchase for the replaced food.

Power Surge – This feature protects your covered product against damage or defects caused by a power surge up to a maximum of the lower of \$500.00, or the replacement cost of the product over the life of the contract while your covered product is properly connected to a surge protector approved by the Underwriter's Laboratory for the appropriate capacity of the covered product. A UL-approved surge protector is not required for Major Appliances.

No Lemon Guarantee – If the Covered Product has three service repairs completed, which first began after the manufacturer's warranty term had expired, and a fourth such repair is required, as determined by Us, within any twelve (12) month period, the Covered Product will be replaced with a product of like kind and quality. The cost of the replacement will not exceed the original product purchase price and may be less due to technological advances. We reserve the right to issue a voucher for the original purchase price. Once a covered product is replaced, then this contract is considered fulfilled and coverage ends. Preventative maintenance checks, manufacturer or service recalls, cleaning, product diagnosis, customer education, accessory repairs/replacements, computer software related problems, and any unauthorized repairs done outside of the USA are not considered repairs for the purposes of this No Lemon Guarantee.

Worldwide Service – Worldwide Service protects your covered product outside the manufacturer’s warranty when you travel overseas. If your product needs repair overseas, you have three options to obtain a proper repair authorization number prior to work being performed. Contact the Administrator/Obligor via e-mail us at www.trynewleaf.com to leave a message for warranty support; or you may call collect, 1-855-TRYNEWLEAF.

You will need to carry the covered product into an authorized service center, have the service center provide an estimate for the repair and provide the estimate to the Administrator/Obligor, using one of the options above, so total repair can be approved. You will submit payment to the service center and then submit to the Administrator/Obligor a copy of the detailed service repair invoice that identifies the covered product, the repair authorization number, and include a thorough description of the repair made. This documentation should be sent to the Administrator/Obligor. The Administrator/Obligor will reimburse you within 30 days of receipt of all necessary paperwork, provided a covered repair was performed. **Note:** Worldwide service does not include shipping or on-site service.

SERVICE LOCATION

On-site Service: If your Plan provides on-site service and your product needs repair, call 1-855-TRYNEWLEAF to arrange service. An adult of legal age must be present at the location where on-site service will occur. If you live beyond a 50-mile radius of an authorized service center, you may be required to pay additional trip charges required over the 50-mile radius. While most products can be repaired on-site, some products, due to their sensitive, technical nature, require the controlled environment of a factory authorized service center; therefore, on-site repair is not possible. This Plan does not cover labor or materials to obtain access to covered components if structural modification or repair is required. It is your responsibility to ensure that the covered product is accessible to the service technician.

Carry-In Service: If your Plan provides carry-in service and your covered product needs repair, call 1-855-TRYNEWLEAF to arrange service. While most products can be repaired locally, some products, due to their sensitive, technical nature, require the controlled environment of a factory authorized service center; therefore, a local repair facility may not be available. You are responsible for transporting your product to the designated service center. The product may be carried into or shipped (postage pre-paid and insured) to the designated service center. The product will be returned to you at no additional cost, if an authorized service is performed.

IF YOUR PRODUCT NEEDS REPAIR

- If your covered product needs repair or replacement for mechanical or electrical failures, you are required to call the Administrator/Obligor at 1-855-TRYNEWLEAF (available 24 hours a day) to obtain authorization prior to having repairs made. For on-line service log onto www.trynewleaf.com. For faster service, please have your dated proof of product purchase (sales receipt) available when you place the call. If the covered equipment is still covered by the manufacturer’s warranty, you may be directed to call the manufacturer prior to being referred to a service center. All repairs must be approved before they are performed. We will not reimburse you for repairs performed without prior approval or performed by unauthorized servicers or others.
- Do not return the covered product to your retailer unless so instructed by the Administrator/Obligor.
- When you receive authorization for repairs, the service representative will direct you to a designated service center. A copy of the proof of product purchase (sales receipt), and a brief written description of the problem must accompany the product. We will not be liable for freight charges or damage due to improper packaging.
- If your product is covered under another valid service contract and/or insurance policy, this Plan will provide coverage over and above the other service contract and/or insurance policy.
- While we try to complete service as quick as possible, we are not responsible for delays caused by factors beyond our control, including but not limited to manufacturer’s delays, shipment to a service facility or acts of God.
